COMBATTING CYBER GROOMING

Cyber Grooming is a pretend play where sexual predators adopt various roles like friend or a sympathetic listener to slowly gain trust and use the child for online sexual acts or to sexually abuse them

As parents : The best ways to combat online grooming is by

Limiting screen time

Encourage sharing online experiences

Have open talks and educate your child on hidden dangers online

Enable security and privacy features on your child's digital devices

Programme by : Ministry of Electronics & Information Technology(MeitY), Govt. of India

Supported by : Ministry of Home Affairs (MHA), Govt. of India
